CAREER OBJECTIVE

A results-driven **Front-End Developer** proficient in **HTML, CSS, and JavaScript**. Skilled in using **React.js, Bootstrap, and Tailwind CSS** to build dynamic and responsive web applications with a focus on **Web Accessibility (WCAG)** and **SEO**. Eager to contribute to a collaborative team.

TECHNICAL SKILLS

- **Frontend Development:** HTML, CSS, JavaScript, React.js, Bootstrap, Tailwind CSS, Responsive Design, Web Accessibility (WCAG), RESTful APIs
 - **Programming Languages:** Python, Java
 - **Version Control:** Git, GitHub
 - **Databases:** MySQL
 - **Development Tools:** VS Code, Android Studio
 - **SEO:** Keyword Research, On-Page/Off-Page Optimization, Technical SEO, Analytics and Reporting
 - **Machine Learning (Foundational):** TensorFlow, NumPy, Pandas
-

EXPERIENCE

Frontend Developer | Smartclues Technologies LLP

Hyderabad, India | May 2025 – Present

- Completed an intensive training program focused on modern frontend development, culminating in a hands-on project to build responsive web applications.
 - Gained practical experience in designing and developing dynamic user interfaces using core technologies including **HTML, CSS, and JavaScript**.
 - Utilized key frameworks and libraries such as **React.js, Bootstrap, and Tailwind CSS** to create component-based, high-performance web applications.
 - Collaborated on projects using **Git & GitHub** for version control and integrated with **RESTful APIs** to consume and display data.
-

INTERNSHIPS

Intern, Machine Learning | Indian Servers

Vijayawada, India | May 2023 – August 2023

- Developed a deep understanding of machine learning principles and algorithms through hands-on project work.
 - Engineered, built, and trained ML models using **Python, NumPy, Pandas, and TensorFlow** to analyze large datasets and predict outcomes.
 - Successfully created a supervised learning model to identify and classify music genres, demonstrating practical application of ML concepts.
-

Intern, Future Skills Trainer | Future Skills Experts

Nellore, India | January 2024 – March 2024

- Trained government school teachers in a "**technology-led teaching**" initiative, focusing on advanced educational technologies.
- Delivered hands-on training sessions **on Java development, AR/VR, IoT, and 3D Printing**.
- Contributed to enhancing the digital teaching ecosystem in alignment with the AP Government's GO.98 directive.

ACADEMIC PROJECTS

Mobile App for Ice Cream Parlour (Android App)

- Designed and developed a mobile application to enhance customer engagement for an Ice Cream Parlour.
- Implemented features for automatic coupon generation after each order to encourage repeat purchases and notifications for customers on special occasions.
- Integrated a user-friendly interface, real-time order tracking, and seamless payment solutions.
- Tools Used: Android Studio, Java, Firebase.

ACADEMIC QUALIFICATION

B.Tech – Computer Science and Engineering | Narayana Engineering College, Nellore

Graduation: June 2024 | CGPA: 7.55

Intermediate (MPC) | Narayana Junior College, Nellore

Graduation: April 2020 | CGPA: 81.7%

S.S.C | Sai Millennium High School, Nellore

Graduation: April 2018 | GPA: 8.8

CERTIFICATIONS

- **Microsoft Certified:** Azure IoT Developer Specialty
- **HackerRank:** Java, Python, Problem-Solving
- **Java Full Stack Developer** – Digital Edify Technologies Pvt. Ltd

ACHIEVEMENTS & ACTIVITIES

- Participated in hackathons on Unstop.
- Represented college in badminton and cricket.
- Attended workshops on AI, ML, IoT, and 3D Printing.

PERSONAL INFORMATION

- Date of Birth: 30th November 2002
- Gender: Male
- Nationality: Indian
- Languages Known: English, Telugu, Hindi
